

Student COVID-19 Safety Pledge

[Download as a Word Doc Here](#)

Introduction for your school: At this time of re-entry to school during the COVID-19 pandemic, we are working on ensuring school safety in your learning environment. We know that students play an important role in our being able to reopen school and to keep school open. The Student **COVID -19 Safety Pledge** includes safety steps for you as a student to follow whether in our school, at home, or in the community. As a student you need to think smart and know the healthy practices that will keep you and others safe. Our schools and students in **(school or school district)** have participated and supported safety pledges in the past. Now during the pandemic we bring you a **Student COVID-19 Safety Pledge**.

Check list of points for student commitment and your responsibility to stop the spread of COVID-19:

I will wash my hands frequently and sanitize to kill germs and save lives.

I will maintain the physical distance of 6 feet from those not in my immediate family as much as possible.

I will wear a mask in places required at all times.

Without a mask, I will sneeze into my elbow or my sleeve.

I won't share snacks, food, or beverages with others.

I will tell a teacher or staff member if I am worried about a safety concern.

I will tell a teacher if I am feeling ill.

I will stay home from school when not feeling well.
